FAQs

What is the Bloomin' 4 Good Program?

Fight hunger with every bouquet of flowers sold. Each time a shopper purchases the \$10.99 bouquet in the sleeve marked "Bloomin' 4 Good," \$1 is donated to a hunger organization selected to benefit for the month, that is local to the communities served by Stop & Shop. \$1 Donation = 10+ Meals. It's as simple as that!

Where can I buy the Bloomin' 4 Good Bouquet?

Bloomin' 4 Good Bouquets are available at all Stop & Shop locations. Look for the bouquets in the sleeves marked "Bloomin' 4 Good" in the floral section of the store. If you can't find them, just ask a staff member where they are. They'll be happy to show you!

Does only a certain type of floral bouquet benefit local nonprofits?

Yes, floral bouquets which benefit the selected hunger organization of the month are indicated by a sleeve marked "Bloomin' 4 Good" (shown below). The bouquets are "grower's choice," so the assortment of seasonal flowers will vary.

When are the donations distributed to the benefitting hunger organizations?

We will send donation checks directly to selected hunger organizations in the Bloomin' 4 Good Program approximately 10-12 weeks after their selected month ends.

Can I submit my hunger organization to participate in this program?

Yes. Stop & Shop is committed to serving the communities in which we live and work, so if your nonprofit or hunger organization is 501 (c)(3) certified, then visit our Submit Your Organization page (stopandshop.2givelocal.com/submit-your-organization) to sign up to participate, or visit our website to learn more about our other community programs.

How are hunger organizations selected as beneficiaries each month?

Every month, leadership at each store location chooses a local hunger organization to be the default beneficiary from the Bloomin' 4 Good Program. If you have been selected, we encourage you to go to your selected store location to see how you can help raise awareness together!

How do you calculate the amount of meals a \$1 donation provides?

We work with local food pantries and food banks to provide nourishing meals to those in need. According to Feeding America, every \$1 donation allows partners to secure and distribute 10 meals to those in need. To learn more, read this article by Feeding America: www.feedingamerica.org/ways-to-give/faq/about-our-claims.
