

Nourish today. Thrive tomorrow.

This October, when you purchase a \$2.50 reusable Community Bag or a specially marked \$11.99 Bloomin' 4 Good Bouquet at one of our designated Stop & Shop stores, a \$1 donation will be directed to our school food pantry. These funds help ensure students facing food insecurity have access to the nourishment they need to focus, grow, and succeed. It's a small way to make a big difference!
